Re: Approval of Small Business Enterprise (SBE) Status

Dear Najwa Fakhouri:

This letter is to acknowledge the receipt of the SBE Certification Application documents for **Quantum Group, Inc.**

These documents have been reviewed by the Procurement Division of the Wayne County Airport Authority (Airport Authority); and based upon that review, your company has been determined to meet the established criteria for being deemed a Small Business Enterprise (SBE).

Your SBE Certification Number is **SBE08-0065**. Your SBE Certification expires on **July 31, 2009**.

Please be advised, you must reapply for the SBE Program annually to ensure that the required criteria for the Small Business Enterprise Program continues to be met.

Also, should your company submit a response to an Airport Authority solicitation; you must provide the SBE Certification Number listed above to receive the equalization credit available to SBEs on all non-federally funded Airport Authority contracts.

The name **Quantum Group, Inc.** will be listed in the Airport Authority's Small Business Enterprise Directory. The inclusion of your company's name in the directory will not impose any obligation on the Airport Authority or any general contractor to solicit your firm to provide goods or services for Airport Authority contracts.

If you have any concerns or questions regarding this matter, please contact our office at (734) 247-7900.

Sincerely,

Sandra Coaxum Allen
Procurement Director
Wayne County Airport Authority
